Subject: Letter of Recommendation for Ms. Aadya Goyal

I am delighted to write this Letter of Recommendation for Ms. Aadya Goyal. In this day and age, it is very refreshing to meet a student who is so focused on making it on her own. We accepted her application for internship with very low expectations due to her age. Her knowledge on the subject and the ability to apply it practically in the course of work, pleasantly surprised us.

Miss Aadya Goyal successfully completed her 4-week internship in our office from **May 25th, 2024 to June 25th, 2024.**

Aadya has great interpersonal skills. Her inclusive and collaborative attitude makes her a team player. We appreciate her focus, interest and spirit of entrepreneurship. We wish her all the best and hope she gets bigger and better opportunities in future to realise her potential.

I sincerely believe that she will thrive in a rigorous academic environment, contributing meaningfully to classroom discussions and making a positive impact on campus. Subsequently, I know it will extend to her chosen field of career. I can talk about marketing, she has a natural acumen and talent for this field.

We extend our best wishes to Aadya Goyal as she embarks on her academic and professional journey.

Sincerely,
